In-Kind Sponsors

In-kind sponsorships consist of a donation of a certain product or service instead of direct financial contribution. There are numerous possibilities. The "market value" of the contribution must meet or exceed the specified amount listed in the sponsorship levels described above in order to qualify for sponsorship status. There can also be a combination of monetary and in-kind contributions. In-kind sponsor benefits will be based on the total market value of the donation and matched with benefits at the sponsorship levels described.
